JOPLIN WOMAN TELLS OF CASE

"Tanlac Is Just Splendid," Mrs. N. L. Brooks Says.—Feels Like New Person.

Joplin, Mo.—"Tanlac is just splendid," Mrs. N. L. Brooks, well-known Joplin woman, who lives at 200 1/2 Main street, this city, said recently.

"For a long time I suffered from rheumatism," Mrs. Brooks continued. "I was unable to attend to my household duties and I think I must have been a real burden to my friends and relatives. I didn't rest well at night and I felt tired all the time. My appetite was very poor. I was depressed in spirits.

"I was surprised at the results the very first bottle of Tanlac brought. I began to feel better every way soon after I started using the new medicine. I really feel like a new woman and I believe Tanlac has given me permanent relief."

Tanlac, the Master Medicine, is the ideal tonic for weak, run down men and women building them up to health and strength. Tanlac is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, loss of appetite and the like.

Tanlac is now being specially introduced and expained in Monett at the A. H. Cox & Company Drug Store. (Adv. d&w)

The habit of saving is more strongly encouraged by the U. S. Government than ever before.

Progressive Banks everywhere are encouraging and receiving small deposits.

Systematic saving is the sure sign of success and contentment, when coupled with Life Insurance protection without cost, and appeals to the thoughtful mother, who realizes what it means in times of unexpected distress—that come sooner or later in every home.

If you should die any time after the first deposit is made, and before the end of the 100 weeks, your family or the person you name will at once receive through the bank the full amount of \$25.00, \$50.00, \$100.00 or \$200.00 according to the membership you carry. You may take any number of memberships in one name between the ages of 16 and 49 not to exceed \$2.00 per week.

A boy or girl 10 to 15 years of age may deposit 25 cents, 50 cents or \$1.00 a week for 100 weeks and receive \$25, \$50.00 or \$100.00 at the end of 100 weeks, and in case of death any time after the first deposit is made, the parents will be paid at once through the Bank, the full amount of \$25.00, \$50.00 or \$100.00 according to the membership carried. Boys and girls of this age can take memberships up to \$1.00 a week only.

ACCOUNTS

We have been very lax with the collection of our accounts. We have shown a fraternal disposition to extend credits for long periods, which is positively hurtful to business, more especially when you understand that we have conducted our business on the basis of very small profits.

There is no valid reason why accounts should not be settled every fifteen days—or, at the farthest, every thirty days—except in cases of unusual misfortune. In such cases we are always cheerfully willing to accommodate our customers.

We need the money, and kindly request that our friends settle their old accounts.
